## **Cheshire County Cricket Club...2020**

**Cheshire to host Warwickshire in 50 over clash  
Friday 17 July 2020 at Chester Boughton Hall CC**

**Save the date for a cracking day of cricket as Cheshire take on the might of Warwickshire in a 50 over clash at Filkins Lane.**

It's all change in 2020 as National County Cricket Association (formerly minor counties) sides have a chance to face the professionals.

Minor counties cricket has had a makeover which includes each side hosting a first class county as preparation for their Royal London 50 over competition.

The games will coincide with the start of the Hundred and Warwickshire's visit will be the first time a first class county has played in Cheshire since Hampshire visited in 2004.

We're looking to set up a full day of top entertainment around the game which gets underway at 11.00am. We'll keep you posted but in the meantime, put the date in the diary!
