Dear Ian,

With my Presidents hat-on, I would like to congratulate and thank you for taking over from Gary as Chairman of Cheshire Senior County Cricket Club.

It has not been a good time to make changes at the moment with "Covid" around, not being able to have meetings and do things officially, but with up-to-date technology you can keep in touch with everyone to keep everything official. I'm afraid I still have to rely on the telephone and lots of writing!

Many thanks for my present from S.C.C.C. it is much appreciated. 1990 seems an awfully long time ago, but I can remember that first game against Warwickshire, as if it were yesterday.

Hope you have many enjoyable years as
Chairman.

Yours Sincerely
Nora Hatzell
